

STATEMENT OF PURPOSE

RS19589

This legislation adds a \$75.00 civil penalty to all infractions involving bicycles (including motor vehicle interactions with bicycles). The civil penalties collected from these infractions are directed into a newly created Safe Routes to School Fund to be used by the Idaho Department of Transportation (ITD) to enhance their Safe Routes to School Program, making children safer when travelling to or from their school.

FISCAL NOTE

Funds available for school commuting safety upgrades in the ITD Safe Routes to School Program should increase as a result of this legislation. The exact amount of this increase is not known.
